

## “Be a Star in Someone’s Life”

### The Round Robin Informational Event at DEC

The ALA programs, with the exception of those that are administrative in nature, are all about providing service to our veterans, active duty service members, and their families. The new administration at the National Organization is taking us back to the basics by concentrating on our true mission.

Information and new ideas will be the theme for the afternoon. The fair will be from 1:30 to 2:30 PM on Saturday afternoon, September 18<sup>th</sup>.

Tables will be arranged in Ballrooms ABC of the hotel. Nine people should be seated per table with the tenth person as an Activity Chairman. Attendees will be provided with folders containing summaries from the chairmen. Each chairman will have 3 minutes to give a present her Plan of Action for the coming year. When a whistle blows, the chairmen will move to another table and start all over again. If time allows, questions may be asked so be prepared. The participants at each table will be able to take notes while the chairmen are giving their verbal reports.

Immediately following the Round Robin Informational Event will be a Membership Workshop!

Come join us as we set out to “Be a Star in Someone’s Life” as the ALA Goes Hollywood”.

Diana King  
Department President
