August 2010

TO: **UNIT PRESIDENTS**

SUBJECT: **DISTRICT CONVENTION CALLS**

By virtue of the authority vested in the District Presidents by the Constitution and Bylaws of the American Legion Auxiliary, Department of Texas, for the districts listed on the reverse side, a convention of the respective districts as indicated is hereby called.

The purpose of the convention will be to plan for the 2011 year and to transact such other business as may properly come before the convention.

The voting strength of each unit will be based on the 2010 membership certified to the District President by the Department Secretary. In the district convention, a unit shall be entitled to two delegates for the first ten members and one additional delegate for each twenty five members or major fraction thereof, whose current dues have been received in Department Headquarters fifteen days prior to the convening of said convention, and to one alternate for each delegate. The delegates and alternates shall be elected at the regular unit meeting to be held not less than fifteen days before the district convention.

Please send certification of delegates to your District President using the enclosed white form. This form is not to be sent to Department Headquarters. The pink form is to be retained and brought to the convention by the delegation chairman.

Furnish your District President with a complete list of member's deceased since your last district convention for the memorial service.

All members of the American Legion Auxiliary are invited. Each unit in the district should send a delegation to the convention. Your cooperation in making this convention a success will be greatly appreciated.
