

From the Membership Chairman

Let the fun begin and let's work some magic for President Mickie and the Department of Texas.

We have such a great theme this year and we can take advantage of it and have females wanting to join our Auxiliary.

A dream is a wish your heart makes and I wish for each of you 100% membership in all your Divisions, Districts and Units.

Membership is a team effort and with all of us working on it we can do great things for the American Legion Auxiliary Department of Texas. National will be sending out the first dues statement on September 1, 2008. However we should not wait for National's dues statement. Units need to contact their members by phone or letter and let that member know that we would like to see her at our unit meetings and how much her dues can help the American Legion Auxiliary Programs.

Please keep in close contact with your Membership Committee Team, Division Presidents, Districts Presidents, and Unit Presidents. If there is anything I can do for you please feel free to contact me and I will do whatever I can.

Believe in Magic,
Kay Mims
Membership Chairman
