**AMERICAN LEGION AUXILIARY DEPARTMENT OF TEXAS
2010 GIFT SHOP INFORMATION**

Five VA Medical Centers participate in the Christmas Gift Shop program. This program allows the hospitalized veteran the opportunity to select gifts for his or her family. After selection the gifts are wrapped and mailed to the family. The program is provided at no cost to the veteran through the generosity of the Auxiliary Units throughout the state

Each Unit is assigned to a VAMC to which it is to send the gifts. The VAMC may or may not be the same Medical Center in which the members do volunteer work, as this is a separate program. There shall be no personal solicitation for any funds.

Since these gift items are special gifts from the veteran to his family, they should be new and of good quality. Most of them will be mailed; therefore, they should be non-breakable. Family members can include wife or husband, parents and children so a range of type of gifts is appreciated.

Please respond early in order for gifts to be purchased for those Units who send cash instead of gifts. Please include the money value of any box that is sent, as the Hospital Representative must be able to report this amount to Department Headquarters. Money for postage is also appreciated. **ALL GIFT SHOP CHECKS SHOULD BE SENT TO DEPARTMENT HEADQUARTERS.** Please name the hospital and purpose.
