

Please spread the word to all of our Junior members that there is a special patch for Junior members that help raise money for the National President's Project to support the National President's Scholarship, *Educating Children of Warriors*.

Attached is a flyer explaining the plan, which includes the form that should be submitted with the funds raised. This flyer will also be available in a color version on the National Web site.

Please duplicate and share freely. Our hope is that it will be distributed to every Junior Activities Unit Chairman and then further to every Junior member. We hope every Junior will be involved in some activity or another to raise money for this worthwhile project. Most Juniors will become eligible for this scholarship, so we want them to be involved in this effort. Thank you for your help in spreading the word to all of our Junior members!

Special Junior Patch

A special Junior patch has been approved for Junior members to support the National President's Project. We want all Junior members of any age to get involved in fundraising efforts for this worthwhile project.

Any Junior can earn a patch if she raises at least \$5 for each year that she is old. That is a 5 year old should raise at least \$25 (5 x \$5) and a 17 year old should raise at least \$85 (17 x \$5). This colorful patch, pictured at the top of this flyer, and will be outlined in blue.

Donations can be raised in a variety of ways by reaching out and soliciting donations from family, friends, Legion Family, or local organizations. We encourage you to be creative in your fundraising efforts, groups or individuals can coordinate bake sales, serve-a-thons, car washes, etc. The goal is for the youth to be involved and aware of the scholarship project.

Get involved today!

To receive the patch, complete the following and send it with the donation to:
